Phone number: (667)-786-8430

City and State: Ellicott City, Maryland

Profile

A student at Howard Community College currently pursuing a degree in Audio Video Media Production, very passionate in writing stories and video editing. Looking to connect with anyone with similar interests.

Education

College: Howard Community College

Associates of Art

Graduation Date: January 2, 2027

Current GPA: 3.909

Employment or Experience

Not currently employed and never was but I have some experience in writing stories and video editing.

Media Production Experience

Took classes related to this at Howard Community College in which I have been able to learn various skills and such from each of those classes.

Technical and Software Skills

Is well versed in software such as Photoshop, Adobe Premiere, Illustrator, and Storyboarder.

Relevant projects, productions, volunteer work or creative work

Created an entire website dedicated to an original movie concept for one of my Audio Video Media Production classes

Has made storyboards for that original movie concept using the Storyboarder software.
